

Client - Therapist Agreement
Modern Love Counseling, LLC
Alysha Trujillo, MAMFT

SERVICES OFFERED: I offer counseling sessions for adult individuals and couples.

FEES:

Individual Sessions

60-minute | \$100 per session

75-minute | \$130 per session

Couples Sessions

60-minute | \$130 per session

75-minute | \$150 per session

Your fee is _____ and is due in full at each session.

Payment will need to be provided at the beginning of each session. I currently receive cash and major credit cards. *Please note:* If you are receiving sliding scale or discounted fees, fees may be renegotiated every 3 months or when your income changes. If you end therapy with an unpaid balance and do not make arrangements to settle the bill, your account may be turned over to a collection agency. Any costs incurred in the collection are your responsibility.

Reports and court appearances require professional time for which I charge the rate of \$175.00; court appearances require 4-hour minimum.

Telephone conversations of a clinical nature will be charged at \$30 for every 15 minutes.

TREATMENT PLANNING AND EVALUATION: Since I am not a 24-hour crisis-intervention therapist, in case of an emergency, you may call the numbers on

the accompanying EMERGENCY NUMBERS sheet, you may call 911 or go to the nearest hospital emergency room.

As your therapist, I can approximate length of treatment; however, as response differs on an individual basis, guarantees cannot be made as to treatment outcome. If I cannot provide the services you need, I will be happy to offer you referral information that will be a better fit to you. Periodically, client and therapist will assess progress toward treatment goals. It can be mutually beneficial if termination is discussed in advance.

CANCELLATIONS: In the case that you need to cancel or reschedule an appointment, 24-hour advance notice is required. With less than 24 hours notice, you will be charged the full amount for the session.

CONTACT: Please do not email or text me with any clinical issues, as confidentiality may be at risk. You can call me regarding clinical issues, however they will be charged \$30 for every 15 minutes. I will respond to emails and text messages, but only for scheduling and/or questions regarding appointments. If in the event that we see each other outside of our sessions, I will not approach you due to your confidentiality rights.

TERMINATION: You may end treatment at any time and you are welcome to seek a second opinion about treatment at any time. My only request is that we hold a termination session together instead of terminating by phone or email for a proper closing session.
